Important information regarding Live Events

Dear Parents/Carers;

I am writing to you today to provide you with more information about the two live events we will be hosting for you on Friday 28th August. This will be an opportunity for us to share some of the key information regarding the reopening of school and a chance for you to ask any questions you may still have. The events will be broadcast via Microsoft Teams and you can join using a mobile device, laptop or desktop. You do not require a camera and you will have the function to type questions in the forum which only Mellor staff will be able to see and respond to. Please make sure that you have your speakers turned up so that you can hear the audio. Should you have any technical difficulties in accessing the live event, the presentation will be made available to you on the school website afterwards.

We have two time slots available, the first will be broadcast in English and the second will be repeated in Gujarati. You do not have to attend both sessions, simply click on the link below for the event you wish to join. Please do not share the links. The events will not go live until the designated time but I recommend you join beforehand to ensure you are ready once the event starts.

We look forward to you joining us virtually on Friday.

Session 1: Broadcast in English – Friday 28th August 3pm

In addition, you should now have received our Frequently Asked Questions sheet, this has been compiled in response to some of the questions we have received from parents and we hope that you find it useful. A full list of all FAQs can be found on the school website by clicking on the 'Return to School – Information for Parents' button on the homepage. We will be continually updating this sheet and will also include any questions that come up during the live events.

Yours sincerely

Nik Foster
