Audio Newsletter

If you would prefer to listen to an audio version of this week's newsletter this can be accessed [HERE](#). The newsletter is read in both English and Gujarati.

Half Term Holiday Dates

School will be closed to all children including those in our key worker and vulnerable children group during the February Half Term. Please note there will be no remote learning for children during the half term holiday and we encourage all of our families to take a well-deserved break. The last day of term for children will be **Friday 12th February 2021** and the school will be re-opening on **Monday 22nd February 2021 for Key worker and vulnerable children only**.

FSM Vouchers over the Half Term

We will be providing FSM vouchers to all eligible parents for the week of the half term holiday. More details will follow in due course.

Wider School Reopening

The Prime Minister announced yesterday that schools would reopen to more children from **Monday 8th March at the earliest**. This however is dependent on the infection rate, hospital pressures and vaccine roll out. We will keep parents updated once we have more information.

Remote Learning Live Event for Parents

A huge thank you to the 177 parents who joined us for our Remote Learning Live Event last week, we hope that you found it useful. If you were unable to join us but would like to view the recording of the event you can access it [HERE](#).

Resource Packs

We have now finalised our delivery of resource packs to all children. These come in zip folders and contain a range of year group specific practical resources to support children with their remote learning. Please see the picture below, these are not to be confused with worksheet packs. If you think your child has not received their resource pack please contact the school office.

Parents Evening

Parents evenings will take place the week beginning 15th March and will be conducted remotely via Microsoft Teams. Links to book appointments with teachers will be sent out on Friday 12th February.
