Working in Partnership

October 2021

Parents Evening

Parents evening will be in the week beginning 8th November. For the Autumn term these meetings will be held remotely online. Bookings and further information will be sent shortly. If you require translation, please record this on the booking form.

We are hoping to do face to face parents evenings again in the Spring term.

Play Equipment

Please can all parents and carers ensure that school children and younger siblings **do not play** on the school play equipment at the start and end of the school day. This is important as staff are unable to supervise the play equipment when they are receiving/dismissing children.

Rocket Round Leicester

We hope you had the opportunity to view our school's rocket, Unity XXI, during the Rocket Round Leicester trail this summer. Our rocket will be returning to school this week and it will be displayed in our library. We will share photos on our Twitter page - @mellorschool
There were many coin collection cards returned to school and the children enjoyed taking part. We would like to thank parents for continuing to support our fundraising efforts for LOROS.

Flu Vaccine

This year the Flu vaccine for children will take place on Thursday 4th November during school hours for those children whose parents have given consent.

School Photos

This year only individual photos will be taken during the school day on Friday 29th October. Please ensure that your child is wearing their full school uniform.

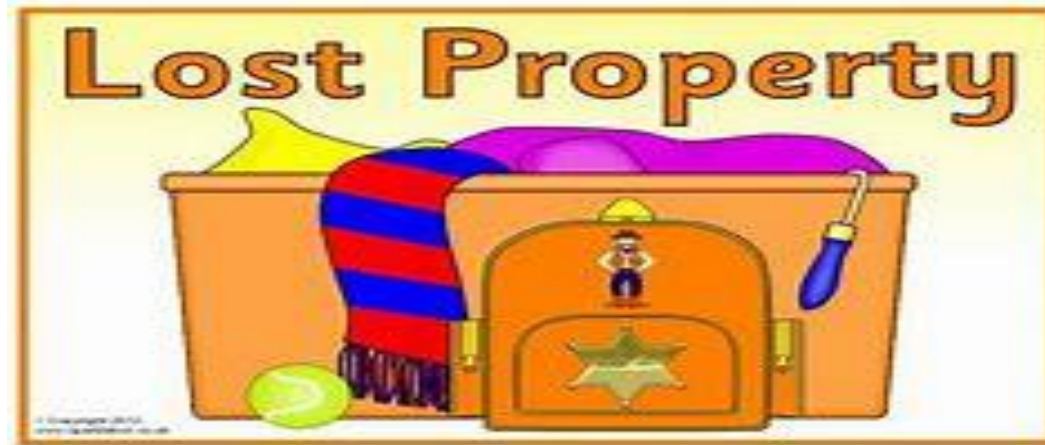

After School Clubs

Clubs will be starting again after the half term break. Links have been sent out but only limited places are now available. Please contact the school office if you still require a place.

Lost Property

Please ensure that you have checked lost property before the half term holiday as items left will be donated to charity.

October half term holiday

School will be closed from Monday 18th October until Friday 22nd October. School reopens on Monday 25th October.

Wishing you all a very happy half term holiday!
